

For Sellers:

Do you own a mobile or modular building that you would like to sell?

Let Modular Marketing help, by posting information about your building on our website! To see how easy it is to post and sell your building on our website, please call Modular Marketing at (800)550-7702 for more information.

Our service includes:

- Providing a marketplace to sell new and used buildings
- Creating a floorplan of your building and posting it to our website
- Posting information related to the condition of your building
- Compiling detailed information about your building specifications
- Displaying up to four photos of your building on our website

If you are asking yourself... How can I sell my used construction trailer, modular classroom building or modular office building? How do I dispose of my portable trailer or modular building? Is there a market for used, pre-owned mobile or modular buildings? How much is my construction trailer, modular classroom building or modular office building worth? ... **Modular Marketing can help by “bringing buyers and sellers together”.**
